- Possess or be able to obtain a **TOP SECRET** security clearance

SUMMARY OF DUTIES

This position is for a position within the 225th Support Squadron, Western Air Defense Sector (WADS). The Network Infrastructure Flight performs maintenance on modern Local Area Network type Commercial-Off-The-Shelf (COTS) secure computer systems and networks. They are responsible for the daily operation, software, configuration modification and preventive maintenance inspections on all equipment including, but not limited to, Battle Control System integrated systems, NORAD Contingency Suite, Joint Range Extension (JRE) systems, Air Defense Systems Integrators (ADSI), network routers and switches, fiber and copper infrastructure and Windows, UNIX and LINUX Servers and PC's. Additional responsibilities include the configuring and daily operation of Cryptographic Equipment such as STU IIIs, STEs, KIV-7s, KG-40s, KG-175Bs, KG-84As, KG-84Cs, and KG-250s. The COTS equipment is repaired mainly through the removal and replacement of defective sub-assemblies. Member should be very familiar, and possess experience with, Windows and UNIX/LINUX based server-client models, basic PC repair, network fundamentals, OSI model, and routing/switching protocols. This position may at times entail CONUS, Alaska, or Hawaii short-duration TDYs in support of the WADS

ADDITIONAL INFORMATION

- Equal Employment Opportunity: The Washington National Guard is an equal opportunity employer. Selection for this position will be made without regard to race, religion, national origin, gender, marital status or political affiliation.
- Enlistment/Appointment in the Washington Air National Guard is a condition for retention in the AGR program.
- Potential for promotion in the position is conditional upon assignment to the appropriate UMD grade, compliance with ANGI 36-101 grade compatibility requirements and, if applicable, the availability of an AGR control grade. Selection for the position at a higher grade does not automatically constitute the immediate availability of an AGR control grade required for promotion to the higher grade.
- The process of applying and being nominated does not constitute final selection for nor guarantee this position. Applicants are strongly advised not to make arrangements to move or change jobs until notified of final selection by the Adjutant General of the State of Washington or designated representative.
- Applicants should be able to complete 20 years of active federal service prior to Mandatory Separation Date (MSD) for officers, age 60 for enlisted. If unable to meet this requirement a statement of understanding must be completed prior to start date.
- Military grade cannot exceed the maximum military grade authorized. A member who is overgrade must indicate, in writing, a willingness to be administratively reduced in grade when assigned.
